

A hand is shown holding a small, clear glass vial with a silver cap. The vial has a white label with black text that reads "COVID-19", "vaccine", "(mRNA)", and "Injection Only". The background is a solid blue color.

A medical syringe with a blue plunger and needle. The plunger is positioned at the 1.5 ml mark on the scale. The scale has markings for 0.5, 1, 1.5, 2, 2.5, and 3 ml. The needle is attached to the front of the syringe.
